**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

There is a basic monopoly in telecommunications for consumer internet services. This has created slow speeds, pricey bills, and terrible customer service. Allowing small competitors to broaden the market creates a better system for American people. This has been shown in Chattanooga TN and 750 other communities across the country.

DO NOT LET COMCAST AND CHARTER CONTROL ACCESS TO INFORMATION FOR
THE AVERAGE AMERICAN.
